POWER BI

# Global Macroeconomic & Social Indicators

Cross-country dashboard covering economy, trade, health, energy and security.

**6**
report pages

**7**
indicator tables

**1**
country dimension

## What I built

- Star schema: one Country dimension linked to 7 indicator tables (GDP, unemployment, happiness, cost of living, safety, quality of life, Big Mac index).
- Custom glass-style design on a 1920×1080 canvas with SVG backgrounds.
- Tooltip pages for country-level detail.
