EXCEL

Sales Analytics Dashboard

Transaction-level Excel dashboard: 369 order lines across four regions.

$438.6K
revenue, 2019

195
orders

14
categories

What I built

- Cleaned order data with dates, shipping and product fields structured for pivots.
- Pivot-driven KPIs with slicers for interactive filtering.
- Interactive preview is available in the Dashboards section of the portfolio site.
