EXCEL

# Sales Dashboard: Segments and Countries

Sales, profit and units across five segments and five countries, 2019 to 2022.

**$50.1M**
sales

**$21.3M**
profit

**128**
records

## What I built

- Profit tracked by segment and country.
- Workings sheet with pivot tables feeding the dashboard.
- Interactive preview is available in the Dashboards section of the portfolio site.

## Dashboard
